Visionary Training & Certification Courses

Learn valuable skills that will help advance your career as a litigation support professional. Paralegals, legal assistants, court reporters and all other litigation support providers can benefit from Visionary's training and certification courses.

Our team of seasoned production and trial presentation professionals will help you maximize your proficiency with our software. Whether you are in the production department or in the courtroom, you can stay on the cutting edge of today's technology required for a successful career.

VISIONARY 8 PRO BASIC TRAINING

Learn the basics of our discovery management and trial presentation software, Visionary 8 Pro. In this course, you will become familiar with the tools and features of Visionary 8 Pro so you will be able to prepare for trial and present your case in court.

VISIONARY PRODUCTION TOOLS

In this course, you will learn the basics of transcript and video production. Gain the skills needed to produce synchronized video depositions, properly encode video, and hyperlink exhibits to your synchronized transcripts.

CERTIFIED VISIONARY PRODUCTION SPECIALIST

In this course, you will become proficient in scanning, encoding and synchronizing transcripts to video. We will also cover transcript production.

CERTIFIED VISIONARY TRIAL TECHNICIAN

In this course, you will become proficient in the skills required to use Visionary 8 Pro in the law office, preparing for trial and then presenting your case in court. You will learn to manage and organize your case effectively and efficiently, prepare dynamic presentations for any type of hearing or case and present testimony, documents and other items "on the fly" with speed and confidence.

ON-SITE TRAINING / CONSULTING

We will come to your office and teach you and your staff how to use any Visionary product to its fullest potential. On-site training and consulting allows us to use your real world content or case material to give you highly productive and effective results.

BY APPOINTMENT ONE-ON-ONE PHONE TRAINING
